Fabric Width:

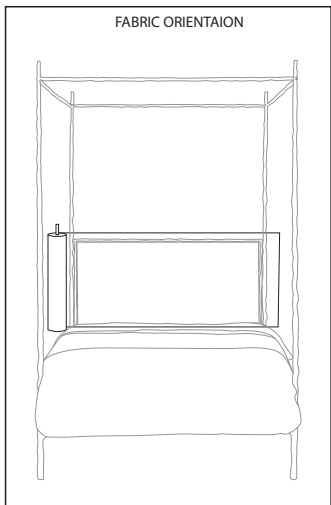

Orient top of fabric/ leather here.
 The way the sample is stapled to this form
 is the way it will be applied to your furniture.
 Be sure to orient the top here and
 put the fabric side out

Trim Notes:

1. Headboards wider than 54"W, will use our standard fabric up the roll fabric orientation.
2. Headboards longer than 54"L will have seams equal distance from each side.

Upholstered goods require full payment in advance of beginning production. Production of the order will begin when full payment and COM, if required, is received. Orders will not be scheduled for production without this completed form and an attached swatch.
