Orient top of fabric/ leather here.
 The way the sample is stapled to this form
 is the way it will be applied to your furniture.
 Be sure to orient the top here and
 put the fabric side out

Trim Notes- All Made Goods Upholstery has a standard of double welting. In some instances double welting does not work due to thickness, type of fabric, etc. It is at the discretion of the Made Goods Upholstery team to use their best judgment on welting style. Excess yardage greater than one yard will not be returned unless specified below.

Upholstered goods require full payment in advance of beginning production. Production of the order will begin when full payment and COM, if required, is received. Orders will not be scheduled for production without this completed form and an attached swatch.
