

Velvet Midnight drapes over Gus Modern's sofa. Its graceful arms, French-seam detailing and loose cushions give a look that's both timeless and contemporary, and the leg finishes can be customized in either gold or black. [www.gusmodern.com](http://www.gusmodern.com)

No shag? No problem. Surya's Harput area rug is machine-made with a medium pile. The vivid teal and orange palette on the gray background makes a retro mod statement. [www.surya.com](http://www.surya.com)

John-Richard's Celtic ottoman measures 37 inches in diameter and wears a printed teal fabric. A metallic gold sheen covers the swirling pattern. [www.johnrichard.com](http://www.johnrichard.com)

Woven by a tribe in the Philippines and naturally dyed with vegetation, flowers and seeds, Made Goods' Emily box set has a textured rattan on the outside and suede on the inside. The deep colors blend in tie-dye-like fashion. [www.madegoods.com](http://www.madegoods.com)

Sloping arms and a slight wing on the back create a unique profile for Arteriors' Beck chair. The Citron leather upholstery looks luxurious on the curvy silhouette and against the splayed Dark Walnut legs. [www.arteriorshome.com](http://www.arteriorshome.com)
