After 19 years, Wisteria is going out of business
The Texas-based home goods retailer announced the news on its Instagram account on Monday.

Crate & Barrel's new CEO, the earliest Christmas ever and more
In our weekly digest, designers get creative with digital programming. TikTok has announced business tools and more. Read on for the announcements crossing the BOH news desk this week.

Who are the early post-reopening winners?
Even as a surge of COVID-19 cases paralyzes large sections of the country, parts of the retail world are seeing a strong sales rebound. Retail Watch columnist Warren Shoulberg breaks down who is faring best in this volatile new climate.

How R Hughes became the coolest showroom in America
On the latest episode of the BOH podcast, Ryan Hughes of Atlanta-based R Hughes showroom digs into his business's scrappy beginnings, his building a roster of the freshest talent out there and his secret to avoiding brand complacency.

Why this Montana designer never presents to clients
In the 26th installment of the 50 States Project, BOH spoke with Billings, Montana-based designer Jeremiah Young, who purchased the retail store and design firm Kibler & Kirch in 2010. He shares how he became the creative director of a beloved furniture brand and launched a gallery devoted to Western art, why he's happy keeping his staff small, and his uniquely collaborative design method.

Tiffany Skilling crafts a sleek, contemporary lounge

BOH asked eight designers to dream up a room featuring pieces they would have discovered at High Point Market this spring. Indianapolis-based Tiffany Skilling answered the challenge with a living room that melds natural motifs with a contemporary flair.

Forbes + Masters designs a glamorous dining room focused on peace, harmony and reflection

BOH asked eight designers to dream up a room featuring pieces they would have discovered at High Point Market this spring. Atlanta-based Tavia Forbes and Monet Masters answered the challenge with a stunning dining room inspired by what Black wealth would have looked like in an 1850s American home.

Jaimee Rose designs a breezy island escape

BOH asked eight designers to dream up a room featuring pieces they would have discovered at High Point Market this spring. Phoenix, Arizona-based Jaimee Rose answered the challenge with a textured island getaway in the Maldives.
